Dear Mr. Masato Yamada,

Veterans International Cambodia (VIC) would like to express our sincerely thank for your donation in the amount of \$ 8,000 (Eight thousands USD) on July 10, 2015, to support our staff to attend the 3rd Asia-Pacific Congress in Tokyo, Japan, from September 1-3, 2015.

Veterans International Cambodia (VIC) is a non-profit humanitarian organization, founded under Cambodian law as a Local Non-Governmental Organization (LNGO). The purpose of the organization is to provide physically disabled Cambodians with prostheses, orthotics, wheelchairs, other mobility aids, referrals for surgeries or medical services, and physiotherapy treatment at VIC's three centers as well as providing community based rehabilitation (CBR) services.

On behalf of VIC team, I would like to convey our greatest appreciation of you and the Japan Reuse System Co. Ltd for your continuous support to VIC. We hope to continue our partnership in the future.

Sincerely yours,

Rithy Keo
Executive Director
